佐竹史料館
c. **Satake Historical Museum**

久保田城御隅櫓
Kubota Castle's
Royal Turret

民俗芸能伝承館
e. **Folklore and Performing Arts Center**

Contains Western and Dutch paintings depicting the Edo era, as well as artwork related to Akita. The museum also organizes temporary special exhibits containing art that is prestigious both domestically and internationally, memorialized by a monument of western painter Okada Kenzo.

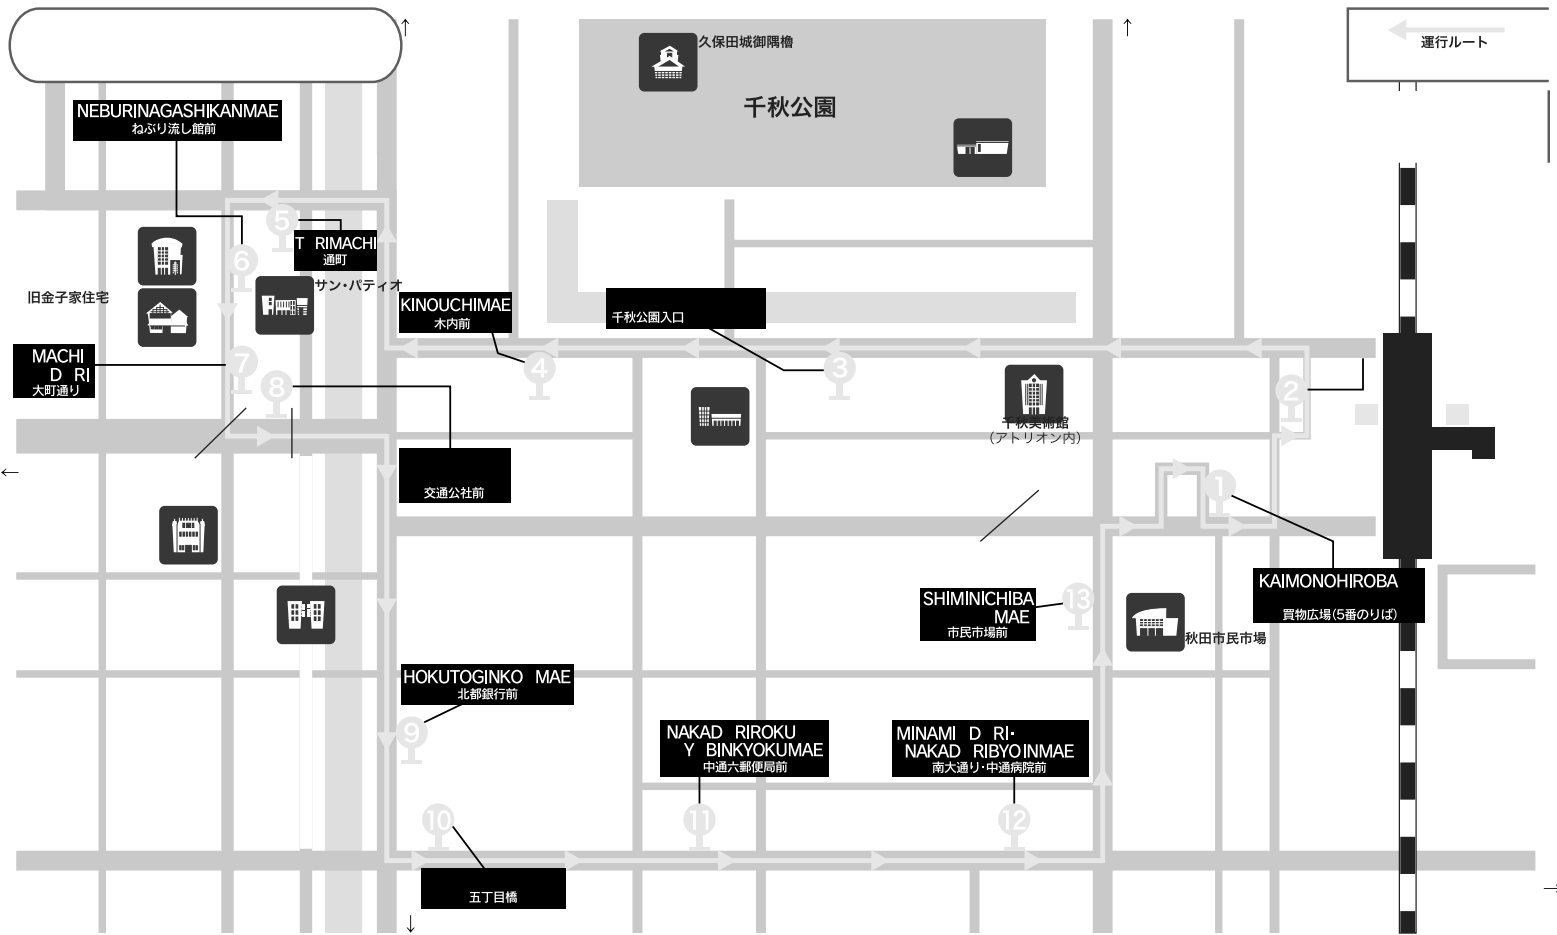

A hub for culture and exchange blessed with water and foliage, where visitors feel comfortable. Themed as a city oasis to accompany Senshu Park, it is arranged decoratively with commercial facilities, an exchange hall, the new Prefectural Museum of Art, a plaza, parking lots, and a residential area.
A newly-constructed hub in Akita

Shows the Akita Domain's history and culture during the Edo era, with documents about the former lords, the Satake clan, who descended from the Seiwa-genji clan.

Edo era merchants' residences preserve traditional construction techniques in the main building and clay warehouse (Municipal Tangible Cultural Property)
[Exhibition hours] 9:30 - 16:30
[Closed]
End of the year and New Year's holiday

As patio means courtyard in Spanish, the plaza is surrounded by six buildings. The Hinoniwa Engi Shrine constructed to commemorate the past 15 years of building prospective relationships and gaining wealth, has been gathering attention.

A western style building, which was the former headquarters of Akita Bank in 1912. (National Important Cultural Property) Memorial Hall for Akita born woodblock painter Katsuhira Tokushi, annexed within the memorial house of hammering artist Sekiya Shiro, who has been designated as a Living National Treasure

[Exhibition hours] 9:30 - 16:30
[Closed]
End of the year and New Year's holiday
Exhibition changing times

Kawabata is an entertainment district located along the Asahikawa River. It has been referred to as the district of 1,000 establishments from days of old. Kawabata, which literally means opposite side of the river, was named so because it was on the other side of the river as the samurai looked at it from the town district around the castle.

The Akita Citizen's Market is a market located near Akita Station. The market is packed with the seasonal products, including local fresh seafood, edible wild plants, mushrooms, and fruit. Filled with approx. 90 shops.
